

CLES

Certificat de Compétences en Langues de l'Enseignement Supérieur
Higher Education Language Skills Certification

The CLES

is a scenario-based certification dealing with true-to-life topics adapted to the appropriate CEFR level. The different tasks given to candidates enable certified examiners to evaluate competences transferrable to the professional world.

5 language communicative activities assessed

- Listening comprehension
- Reading comprehension
- Written production
- Spoken production
- Spoken interaction

+ A Certification for All!

Offered in 9 languages

Arabic, English, German, Greek, Italian, Polish, Portuguese, Russian, Spanish

CLES B1 (2h)

Simulates a realistic situation abroad.

↘The candidates must be able to handle situations in everyday life.

CLES B2 (3h)

Simulates a realistic situation related to current issues. The available documents enable the candidates to collect the information needed to confront their viewpoints and reach a compromise.

↘The candidates must be able to interact and negotiate in everyday-like situations and professional contexts.

CLES C1 (4h20)

Simulates an expert presentation in a professional and/or academic context corresponding to a specific domain.

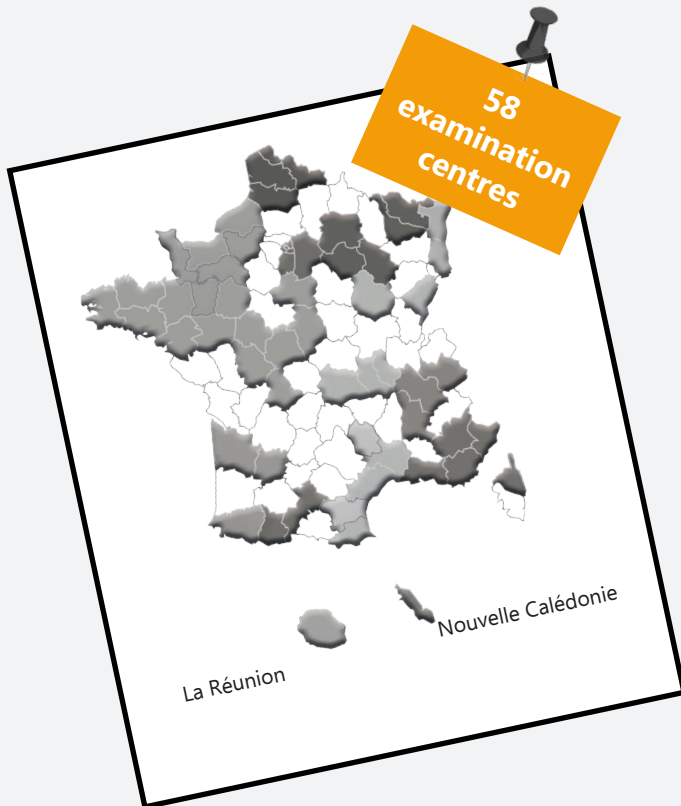

↘The candidates must be able to enhance their foreign language competence in social, academic and professional life at a proficient level.

Specific domains are: Arts and Human sciences; Engineering sciences; Life sciences and Biotechnology; Medical studies; Law, Economy and Management.
